## **Incident Details**

On the evening of Thursday, May 24, 2018, the warplanes of the Saudi alliance launched several raids on the Directorate of Makbana targeted cars and properties of citizens. One of these raids targeted the car of / Mushtaq Abdel-Sattar in the yard of his house upon his arrival. The targeting caused in the killing of Mushtaq Abdel-Sattar and the destruction of his car and home, which is a health center and a store of medicines. Mushtaq Abdel-Sattar is the health official in the Directorate.

## **victims and witnesses' Testimonies:**

**Sheikh Fouad Hail Sinan, one of the leaders of the Directorate has been contacted and he reported us saying:**

"On Thursday evening, the Saudi warplanes flew heavily in the sky of Makbana area monitoring citizens' vehicles. When the health official Mushtaq Abdel-Sattar returned home at 1:30 am, the warplanes launched an air raid on his home, which is a center and a store of medicines, because the citizen works as a doctor and was trying to provide medicines to citizens, but the warplanes killed him and destroyed his home. There is no justification for targeting health personnel. The targeting has caused a state of fear and panic among civilians, which has led to the displacement of civilians from their homes. "

## Incident Results :

### Civilian Victims :

### Civil Facilities:

## Description of the violation according to the international humanitarian law:

Legal Center made field visit to the targeted position and found it a civil place has no military presence. It is known that targeting civilians is a crime that the international law set punishment for and is a breach for the principles and values that were established and agreed by the civilized societies. The continuing of targeting and killing children, women and civilians by the Saudi-led coalition and its allies is a crime of many that still committing before the international society who is still dam and deaf to these crimes. This will stand as a stone in front of the collaboration of the international society and its aims of preserving and protecting the rights and freedoms that will be an international precedent of aggression against the states and societies.

## Center Recommendations:

- Legal Center for Rights and Development calls on all civil society organizations and international organizations, especially United Nations organizations, to shoulder their moral and humanitarian

responsibilities towards the crimes committed by the Saudi regime and its coalition against humanity and humanity.

- Calls on United Nations and Security Council to preserve its remaining reputation and to stop the war and the bloodshed of Yemenis and reduce the crimes commission against Yemen I children and women.
- And calls for dispatching international commissions of inquiry as soon as possible to investigate on this crime and the other ones and to bring perpetrators in these crimes to international justice.
