## Hudaydah Crisis

### Situation

The situation in Hudaydah continues to be unstable, with some instances of armed clashes and shelling in multiple locations in Hays district and stand-off attacks and airstrikes reported in other districts including Al-Hawak, Ad-Durayhimi, At-Tuhayat, Bajil, Al-Mina, Al-Hali, Az-Zaydiyah, Alluheyah, As-Salih, and Bayt Al-Faqih. Military operations around the airport are currently static and the Hudaydah port is still operational. Displacement continues within and outside the Governorate. Many families who escaped the conflict have found temporary accommodation in public schools within Hudaydah and also in Sana'a, Dhamar, and Amran.

### IOM Response

- ✓ IOM initiated kitchens in four schools in Hudaydah where displaced people are currently residing. Through these kitchens and other facilities, over 20,400 hot meals have been served since the current crisis began.
- ✓ Provided medical consultation to 5,798 individuals, antenatal care to 478 pregnant women, reproductive health consultation to 762 individuals, MHPSS services to 604 individuals as well as conducted health promotion activities among 2,306 individuals to date since the current crisis began in June.
- ✓ Distributed Rapid Response Mechanism (RMM) kits – containing enough food rations for a family for a week, basic hygiene requirements and other essential items – among 3,378 displaced families to date.

## Movements and Needs Assessment

- ✓ Emergency tracking for IDPs displaced by the conflict is continued. Since November 2017, IOM has identified 82,624 IDPs households. There is an increase of 2,198 HHs between 23 and 29 July.
- ✓ Area Assessment Round 33 in nine governorates of Yemen (Shabwa, Taiz, Al Mahrah, Aden, Socotra, Hadhramaut, Abyan, Al Dhale'e, and Lahj) is ongoing.
- ✓ Migrant Flow Monitoring activities across Yemen are continuing.
- ✓ A daily assessment of Yemenis returning from Saudi Arabia is conducted in Hadramout. A total of 5,256 Yemenis returned from KSA in June 2018.

## Migrants Multi-sector Assistance

Migrants transiting Yemen are extremely vulnerable during every phase of the journey. IOM is providing lifesaving, multi-sectoral assistance to stranded migrants in Yemen, including providing an orderly, humane option to those who are willing to return to their country of origin. IOM provides support to migrants in the holding facility in Sana'a run by the immigration, Passport and Naturalization Authority (IPNA) as well as coordinating closely with them on basic life-saving assistance; registration and screening, food and basic hygiene and other non-food items, medical assistance and voluntary humanitarian returns. IOM also supports IPNA in the maintenance of the centre, covering repair works. In Aden and Hudaydah, two similar centres are operated by IOM.

**A total of 2,543 migrants were provided direct assistance during the reporting week, including:**

- ✓ 143 migrants registered and screened
- ✓ 863 migrants provided with hot meals and snacks
- ✓ 586 migrants provided with NFIs and hygiene kits
- ✓ 22 migrants provided with temporary accommodation
- ✓ 681 migrants provided with awareness raising orientation
- ✓ IOM's coastal search and rescue teams for migrants found 248 new arrivals and provided them with food, water, information, NFIs and medical assistance where necessary
