IBB HUB

Heavy fighting erupted in Al Dhale'e governorates and new waves of displacement expected to be generated towards An Nadirah, Ar Radmah, As Saddah and Yarim districts in Ibb governorate. ACTED is currently conducting needs assessments in new IDP hosting sites located in At Ta'iziyah, Dimnat Khadir and Sabir Al Mawadim districts.

SANA'A HUB

Due to the intensification of fighting in Al Hudaydah governorate, SNC (Sub-National Cluster) Partners are closely monitoring the displacements in the hub to ensure provision of immediate response

ADEN HUB

SNC updated its preparedness plan to ensure putting preparedness actions in place to enable providing immediate response to new waves of displacements as fighting in Al Hudaydah governorate intensified. Through the SMC (Site Management and Coordination) approach, gaps were addressed in 3 IDP hosting sites in Aden governorate and other 2 sites in Lahj governorate as follow: In Foqom site, IDPs shelters were repaired, partitions installed, water connected, communal kitchens prepared and water tank connected to the main water supply line; In Khalid Bin Walid IDP hosting site, the materials required for constructing 112 TS (Transitional Shelters) were dispatched while 25 TS have already been constructed, 15 communal kitchens prepared and 7 out of 17 latrines renovated; In Al-Shab IDP hosting site, 48 TS constructed, lighting installed and 10 latrines renovated; In Saber IDP hosting sites, 170 TS materials were dispatched to HYAC (Al-Hikma Al-Yamania Association for Development) in order to be constructed in the site; In Al Baitarah IDPs hosting site, NFI distribution completed for 112 families. NRC completed distribution of NFIs for 600 families in Abyan governorate.

Al Hudaydah Displacement/Response Update

1 - 14 November
